Github · Backbone.js
Underscore.js · React.js
BOOTSTRAP · SASS/SCSS
Responsive Web Design
Handlebars.js · Ajax · Parse
Project Management · SEO

EDUCATION

Front-End Engineering
The Iron Yard Academy
Greenville, SC / 2016

Massage Therapy
Greenville Technical College
Greenville, SC / 2008

Graduate
Wren High School
Piedmont, SC / 2007

EXPERIENCE

FRONT-END DEVELOPER

Prime Line Digital / Greenville, SC / 2016 - Present

Develop websites according to client needs using WordPress, Bootstrap, HTML5, CSS3, PHP, JavaScript, and JQuery, while adhering to tight deadlines. Management of individual projects while attending client meetings and keeping an open line of communication through out the development process.

STUDENT

The Iron Yard / Greenville, SC / 2016

High intensity study in Front-End Engineering teaching most effective practices to produce the best results in modern web development. Prepared me to work and flourish in a fast-paced environment to create web applications using current design and operative frameworks.

MASSAGE THERAPIST

River Falls Spa / Greenville, SC / 2013 - 2016

Provided clients with services including body treatments such as massage, vichy shower treatments, body wraps, body scrubs, aromatherapy, foot treatments, and scalp massage.
